frequently asked questions

What do I carry while on my tour and what happens to the rest of my luggage?

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

Do I really need thermals and a fleece, even in summer?

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

frequently asked questions

How many people are in each group?

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

Can I come on my own?

Yes.

How fit do I need to be?

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

Easy: An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.

Mild: An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.

Moderate: An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, Walk 20+ km , Bike 50+km on partially formed tracks and roads, some off-road , some steep inclines, some easy river and creek crossings.

itinerary

Pre Tour: On the morning of your first day, we will pick you up from your accommodation, or if you have a car, we will direct you to safe parking. Day Packs can be borrowed if required, and we can safely store any excess luggage. There is a safe in the office for use if you need to store valuable items. Lodges operate on a tab system so any payments for drinks etc are settled at the end of the tour.

Please Note: This tour is very flexible, with a number of options available to take optimal advantage of weather conditions for your walking comfort.

- The trip direction may be reversed in some cases, with an earlier pick up in Nelson and Motueka.
- Walking each day is optional. Some people prefer to take the ferry between lodges. This flexibility is perfect for couples or groups who are visiting the park together, but wish to do different things. Please discuss options with your guide before each day's departure.

Day 1 Nelson / Motueka to Awaroa via Totaranui

Welcome! We'll pick you up in Nelson (10.30 - 11.00 am) or Motueka (11.40 am). Alternatively, if you are driving yourself, please meet us at our Motueka office by 11.45 am.

NOTE: Wednesday departures are earlier than the times stated. Please contact us for details.

At our office you'll meet your guide for the first time, and be briefed on the tour. There'll be time for last-minute luggage checks before we depart to Kaiteriteri by coach. At 1 pm, we'll take a Vista Cruise along the National Park coastline. It's a comfortable cruise with refreshments and viewing decks on board. On arrival at Totaranui we'll regroup for a 2 hour walk south (5.5 km + tidal crossing) from Totaranui to Meadowbank. You'll stay at a homestead on the best site in Awaroa Bay.

frequently asked questions

Some tips for training:

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.

Day 2 Awaroa to Torrent Bay

After a great night's sleep, we'll depart Awaroa Bay and walk over the Tonga Saddle to Onetahuti, with its golden sand beach and impressive granite headlands. Relax on the beach, or visit Tonga Quarry, a historic granite mining site. At noon, we'll have lunch at Bark Bay, with its golden sand. We'll take some time to relax, explore, swim or sunbathe. Later, we'll walk through native forest and cross the swing bridge at Falls River. We'll admire the series of magnificent views of headlands, estuaries and beaches on the way. Next, we'll continue to our overnight stop: Torrent Bay Lodge, on the beachfront.

Included: Breakfast, Morning and Afternoon Tea, Lunch, Dinner

Day 3 Torrent Bay to Motueka/Nelson

Today is our last day. We'll follow the well-graded final section of the coastal track, and see the pristine bays and beaches named by the French explorer, Dumont d'Urville in 1827. We'll have lunch at one of the bays, then walk the last leg to Marahau. Here, your coach awaits to return you to either Motueka (4.30pm) or Nelson (5.30pm).

Included: Breakfast, Morning and Afternoon Tea, Lunch
