## itinerary

4 Days, 3 Nights

Custom Groups: Options are available for this tour.

### Day 1 Hokitika to Franz Josef - varied distance walked (max 7km)

The Franz Josef Trail departs from Hokitika on a short scenic drive to Ross where you begin four days of unforgettable guided walks on the trail.

Ross is a small West Coast town where New Zealand's largest gold nugget, "The Honourable Roddy" was found. Your guide will take you on an expedition along the Water Race Walkway, which is an historic gold trail that winds its way up the hill behind the township.

Stride through the regenerating bush and pass a network of water races that supplied water to the sluicing operations of the Ross Goldfields. There will be an opportunity to pan for gold here.

Enjoy a picnic lunch before starting the Hari Hari Coastal Walk. Following the old packhorse tracks alongside the Wanganui River you will experience a mixture of bush and beach walking.

Tonight you will enjoy an evening meal in the interesting alpine village of Franz Josef, nestled at the foot of the Southern Alps.

### Day 2 Franz Josef - varied distance walked (max 11.5km)

On Day 2 of The Franz Josef Trail you depart on foot from the centre of Franz Josef township, your guide will lead the group up to a high terrace behind the village on the Callery-Waiho Walk.

The Callery Gorge Walk begins approximately 5 minutes along the Tatare Tunnels Track with a short, gentle climb to a high terrace behind Franz Josef Waiho township, passing the town water supply pipes and tanks.

The track narrows through the rainforest, and follows alongside an old gold mining water race. The water race and some rusty relics are among the last visual reminders of the gold mining era.

The track then descends to the historic Callery Gorge bridge. From here there are views of the narrow Callery Gorge which has changed dramatically over the years due to gravel deposits filling in the gorge and raising the level of the riverbed.

You will walk alongside an old goldmining water-race before descending to the Callery Gorge Bridge.

From this point you begin the Franz Josef Glacier Walk, following a rocky path over the riverbed and along the track that will take you close to the ice.

Enjoy another night in Franz Josef village and a great meal with your group.

**(If the Callery Gorge Track is closed we will organise another morning walk and in the afternoon walk up to the Franz Josef Glacier.)**

### Day 3 Franz Josef to Fox Glacier - varied distance (max 10km)

This morning's walk will start in Okarito, a small coastal settlement surrounded by the panorama of ocean, tidal estuary, sea cliffs, lush forest and unsurpassed views of the Southern Alps.

Indulge in amazing panoramic views of the Westland National Park coastline before your guide leads you along the inland route, and then over the Kohuamarua Bluff. This is a great spot to meander through towering rimu, rata and silver pine forest, before dropping down to a quiet sheltered lagoon.

After lunch you can take a peek inside the hut on the old jetty at Okarito. Here you can view old photos of the area and there is a storyboard illustrating the history of Okarito.

With a very unique and diverse day of walking under your belt you overnight in the town of Fox Glacier and enjoy restaurant dining with fantastic views of the area.

### Day 4 Fox Glacier to Hokitika to Christchurch - varied distance (max 5km)

Today is the final day of The Franz Josef Trail, before breakfast, you will take in truly stunning vistas on the Lake Matheson Walk. Your group will stroll along a very pleasant track with plenty of viewing platforms for capturing the famous mirror images of Mount Cook, Tasman and La Perous from different angles.

The lake is nestled in ancient forest in the Te Wahipounamu South-West New Zealand World Heritage Area, which includes the Westland Tai Poutini National Park. The lake was formed over 14,000 years ago when the Fox Glacier retreated from its last major advance towards the sea and left a depression which later filled with water.

After your walk around Lake Matheson you will enjoy a hearty and much deserved breakfast before setting off back to Hokitika. The Franz Josef Trail, finishes in Hokitika.

Return to Christchurch by: - TranzAlpine (extra cost) - Coach (no extra cost)  
Ask our team for details.

If you wish to continue your stay in the West Coast region or explore another area of the South Island there are hire car facilities in nearby Greymouth.

## pre tour checklist

Please ensure you have the following items for your walking tour.

- Medium size day pack with waterproof liner
- Boots or sturdy walking shoes, preferably with ankle support
- Waterproof rain jacket with hood
- Woollen (merino) or polypropylene thermals (top and bottom)
- Polar fleece jacket or top
- Warm hat and gloves-fleece or woollen
- Pair of shorts / long trousers (preferably quick-dry fabric, no jeans)
- Woollen or thermal socks-three or four pairs

## The following are highly recommended

- Walking poles (we have these available if you need them)
- Waterproof over trousers
- Gaiters
- Swimsuit
- Sun hat and sun glasses
- Spare boot laces
- Pair of light shoes or sandals for the evening
- A change of clothing for the evening
- Sunscreen, insect repellent
- Personal first aid items-including blister block or foot fleece
- Personal toiletries
- Small torch
- Camera
- Water bottle (we supply you with one bottle, but you may wish to bring another.)

We do not recommend you walk in cotton garments, jeans or silk. These fabrics take much longer to dry after perspiration or wet weather and you may feel damp and cold, even inside the best raincoat.

Plan around three layers of clothing, your inner or core layer which should be wool (merino) or polypropylene to trap warmth against the skin, a middle layer, and a top waterproof layer to protect from rain and wind.

## frequently asked questions

### What do I carry while on my tour and what happens to the rest of my luggage?

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

### Do I really need thermals and a fleece, even in summer?

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

### How many people are in each group?

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

### How fit do I need to be?

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

- Easy: An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.
- Mild: An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.
- Moderate: An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.
- Challenging: An above average level of fitness, Walk 20+ km, Bike 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

### How do I train for my upcoming tour?

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

### What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.

## country information

### Culture

New Zealand has a diverse multi-cultural population, the majority of whom are of British descent. New Zealand's indigenous Maori make up around 14 percent of the population. The culture of its indigenous Maori people affects the language, the arts, and even the accents of all New Zealanders. New Zealanders embrace new technology and culture, but they also have a background of quiet but rugged individualism, self-reliance and a passion for invention. Many New Zealanders travel extensively and thrive on learning and experiencing other cultures. They are renowned for their openness, ingenuity and "easy-going" nature.

### Environment

Fourteen spectacular national parks preserve New Zealand's natural heritage enshrining a huge variety of landscapes, vegetation and wildlife, New Zealand encompasses rich farmland, mountains, rivers and unsurpassed scenery. The country is slightly bigger than the UK in size. Three-quarters of the population live in the North Island with more than a third of New Zealand's population living in the largest city, Auckland.

The South Island - with its lakes, fiords and spectacular outdoor scenery is the most popular destination for tourists. The gateway to the South Island is Christchurch - a city of approximately 380,000 people.

### Recreation

New Zealand's stunning landscapes, lush forests, amazing wildlife and pleasant climate make it a haven for many outdoor activities, and a great place to relax and enjoy life.

New Zealanders love the outdoors, especially tramping (hiking), camping, skiing and snowboarding. Sailing, surfing and swimming are also favourite pursuits. New Zealand's sports and recreation facilities are inexpensive, abundant and very accessible.

## tuatara conservation

Tuatara Tours are proud to be actively involved in Tuatara Conservation.

Tuatara Tours has formally adopted "BP" a male juvenile tuatara who resides at Orana Park in Christchurch and is part of the conservation programme to ensure the safe future of these amazing reptiles.
