## fast facts

Custom Groups: options are available for this tour\*

Tuatara Tours does not require single travellers pay a surcharge for travelling alone. We will arrange for you to share accommodation with another traveller of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

We suggest flying into Hokitika the night before the tour departs, however if you plan to fly into **Christchurch on the morning prior** to the tour then you need to have landed and be in arrivals by 11:30am. Your guide will then come and collect you as he is leaving town. We don't recommend catching flights on the same day as the tour departs or finishes.

## frequently asked questions

### **What do I carry while on my tour and what happens to the rest of my luggage?**

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

### **Do I really need thermals and a fleece, even in summer?**

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

## frequently asked questions

### **How many people are in each group?**

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

### **Can I come on my own?**

Yes. If you are happy to share a room, we can pair you with another tour member of the same sex, otherwise on some of our tours you can request a single room to yourself. Please note, there is an additional single supplement fee for single room accommodation if requested and not all private rooms will have ensuite bathroom.

### **How fit do I need to be?**

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

**Easy:** An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.

**Mild:** An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.

**Moderate:** An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.

**Challenging:** An above average level of fitness, Walk 20+ km, Bike 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

## itinerary

### **Day 1 Hokitika to Franz Josef**

**The Franz Josef Trail** departs from Hokitika on a short scenic drive to Ross where you begin four days of unforgettable guided walks on the trail.

Ross is a small West Coast town where New Zealand's largest gold nugget, "The Honourable Roddy" was found. Your guide will take you on an expedition along the Water Race Walkway, which is an historic gold trail that winds its way up the hill behind the township.

Stride through the regenerating bush and pass a network of water races that supplied water to the sluicing operations of the Ross Goldfields. There will be an opportunity to pan for gold here. Enjoy a picnic lunch before starting the Hari Hari Coastal Walk. Following the old packhorse tracks alongside the Wanganui River you will experience a mixture of bush and beach walking.

Tonight you will enjoy an evening meal in the interesting alpine village of Franz Josef, nestled at the foot of the Southern Alps.

### **Day 2 Franz Josef**

On Day 2 of **The Franz Josef Trail** you depart on foot from the centre of Franz Josef township, your guide will lead the group up to a high terrace behind the village on the Callery-Waiho Walk.

You will walk alongside an old goldmining water-race before descending to the Callery Gorge Bridge.

Next stop along the way is Peters Pool, a kettle lake formed by melting ice in 1800AD. The track climbs onto ancient glacial moraine. Spectacular views of the glaciers can be appreciated from here, which makes it the perfect spot to take a break and munch on some lunch.

From this point you begin the Franz Josef Glacier Walk, following a rocky path over the riverbed and along the track that will take you close to the ice.

Enjoy another night in Franz Josef village and a great meal with your group.

## frequently asked questions

### Some tips for training:

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

### What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.

## itinerary cont'd

### Day 3 Franz Josef to Fox Glacier

This morning's walk will start in Okarito, a small coastal settlement surrounded by the panorama of ocean, tidal estuary, sea cliffs, lush forest and unsurpassed views of the Southern Alps.

Indulge in amazing panoramic views of the Westland National Park coastline before your guide leads you along the inland route, and then over the Kohuamarua Bluff. This is a great spot to meander through towering rimu, rata and silver pine forest, before dropping down to a quiet sheltered lagoon.

After lunch you can take a peek inside the hut on the old jetty at Okarito. Here you can view old photos of the area and there is a storyboard illustrating the history of Okarito.

This afternoon you will then view the dramatic ice on the Fox Glacier Walk. After inspecting ice in the river and enjoying the boulder hopping, you view the striking terminal ice face, which is a spectacular experience.

With a very unique and diverse day of walking under your belt you overnight in the town of Fox Glacier and enjoy restaurant dining with fantastic views of the area.

### Day 4 Fox Glacier to Hokitika

Today is the final day of The **Franz Josef Trail**, before breakfast, you will take in truly stunning vistas on the Lake Matheson Walk. Your group will stroll along a very pleasant track with plenty of viewing platforms for capturing the famous mirror images of Mount Cook, Tasman and La Perous from different angles.

The lake is nestled in ancient forest in the Te Wahipounamu South-West New Zealand World Heritage Area, which includes the Westland Tai Poutini National Park. The lake was formed over 14,000 years ago when the Fox Glacier retreated from its last major advance towards the sea and left a depression which later filled with water.

After your walk around Lake Matheson you will enjoy a hearty and much deserved breakfast before setting off back to Hokitika. The **Franz Josef Trail**, finishes in Hokitika.

Return to Christchurch by: - TranzAlpine (extra cost) - Coach (no extra cost)

## responsible travel

None of us could deny the benefits of travel in broadening our horizons and our way of thinking about the world we all share; travel breaks down barriers and provides valuable insights into other ways of life, it challenges us to step outside our comfort zone and to learn from those around us.

Our responsibility as participants in this journey is to acknowledge our impact on the environment and the communities in which we travel and to consider our individual contribution now and for the benefit of future generations.

We are Qualmark endorsed; New Zealand tourism's official benchmark for environmental standards and quality control. Wherever possible our company utilises local products and services, we support conservation efforts to preserve our natural and cultural heritage and we respect and care for the unique environment we travel in. Make your commitment to responsible travel with us.

## trip grading

To determine the grade of a particular adventure we consider a number of factors.

These include the condition of the terrain, the altitude, the number of pass crossings and the length of the trip.

The Franz Josef Trail is graded easy. An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.

## adventure travel

By its very nature adventure travel involves an element of the unexpected. To get the most out of your adventure it is important that you are mentally flexible, positive and eager to take on all the challenges that arise.

## pre tour checklist

Please ensure you have the following compulsory items for your walk:  
Gear will be checked prior to departure.

- Medium size day pack with waterproof liner
- Waterproof rain jacket with hood
- Boots or sturdy walking shoes, preferably with ankle support
- Woollen (merino) or polypro thermals (top and bottom)
- Polar fleece jacket or top
- Warm hat and gloves-fleece or woollen
- Pair of shorts / long trousers (preferably quick-dry fabric, no jeans)
- Woollen or thermal socks-three or four pairs

The following are highly recommended but not compulsory:

- Walking poles (we have these available if you need them)
- Waterproof over trousers
- Gaiters
- Swimsuit
- Sun hat and sun glasses
- Spare boot laces
- Pair of light shoes or sandals for the evening
- A change of clothing for the evening
- Sunscreen, insect repellent
- Personal first aid items-including blister block or foot fleece
- Personal toiletries
- Small torch
- Camera
- Water bottle (we supply you with one bottle, but you may wish to bring another.)

We do not recommend you walk in cotton garments, jeans or silk. These fabrics take much longer to dry after perspiration or wet weather and you may feel damp and cold, even inside the best raincoat.

Plan around three layers of clothing, your inner or core layer which should be wool (merino) or polypro to trap warmth against the skin, a middle layer, and a top waterproof layer to protect from rain and wind.

## **country information**

### **Culture**

New Zealand has a diverse multi-cultural population, the majority of whom are of British descent. New Zealand's indigenous Maori make up around 14 percent of the population. The culture of its indigenous Maori people affects the language, the arts, and even the accents of all New Zealanders.

New Zealanders embrace new technology and culture, but they also have a background of quiet but rugged individualism, self-reliance and a passion for invention. Many New Zealanders travel extensively and thrive on learning and experiencing other cultures. They are renowned for their openness, ingenuity and "easy-going" nature.

### **Environment**

Fourteen spectacular national parks preserve New Zealand's natural heritage enshrining a huge variety of landscapes, vegetation and wildlife, New Zealand encompasses rich farmland, mountains, rivers and unsurpassed scenery. The country is slightly bigger than the UK in size. Three-quarters of the population live in the North Island with more than a third of New Zealand's population living in the largest city, Auckland.

The South Island - with its lakes, fiords and spectacular outdoor scenery is the most popular destination for tourists. The gateway to the South Island is Christchurch - a city of approximately 340,000 people.

### **Recreation**

New Zealand's stunning landscapes, lush forests, amazing wildlife and pleasant climate make it a haven for many outdoor activities, and a great place to relax and enjoy life. New Zealanders love the outdoors, especially tramping, camping, skiing and snowboarding. Sailing, surfing and swimming are also favourite pursuits. New Zealand's sports and recreation facilities are inexpensive, abundant and very accessible.
