### frequently asked questions

#### **What do I carry while on my tour and what happens to the rest of my luggage?**

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

#### **Do I really need thermals and a fleece, even in summer?**

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

**frequently asked questions**

**How many people are in each group?**

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

**How fit do I need to be?**

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

**Easy:** An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.

**Mild:** An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.

**Moderate:** An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.

**Challenging:** An above average level of fitness, Walk 20+ km , Bike 50+km on partially formed tracks and roads, some off-road , some steep inclines, some easy river and creek crossings.

### itinerary

#### Day 1 Christchurch to Mesopotamia Station 8km of Walking

After meeting your fellow walkers and your guide for the next four days, you depart Christchurch and enjoy a scenic drive out across the Canterbury Plains to Mesopotamia High Country Station, situated at the headwaters of the mighty Rangitata River.

The drive takes approximately 2 hours and on arrival at Mesopotamia High Country Station you will collect your packed lunch and your walking gear and head out for today's walk, a journey across "The Brabazon", one of the large blocks of farmland on the Mesopotamia property. Your walk takes you up and back into the hills behind the Mesopotamia Homestead, with stunning views back down the Rangitata River Valley, over the surrounding mountain ranges and on to the Southern Alps in the distance. You will enjoy your picnic lunch beside one of the many small streams or on a comfortable tussock cushion as you take in the view.

After lunch, you continue to explore Mesopotamia Station. Keep your eyes peeled for a variety of small sub alpine plants, birds and butterflies, and if luck is on your side, a sighting of a deer in the wild.

Returning late afternoon to the cottages, you will have time to freshen up before a hearty home cooked dinner prepared by your hostess and a relaxing evening in front of the fire with your fellow walkers.

#### Day 2 Mesopotamia Station - 16km of Walking

After breakfast we head out to continue exploring Mesopotamia Station. Today's walk concentrates on the trails around the homestead, and along the top terraces of the station, with a backdrop of the majestic "Two Thumbs' mountain range of the Southern Alps. From here you can admire the views that attracted the writer Samuel Butler to the region, and which was the inspiration for his satirical novel "Erewhon".

Mesopotamia Station covers an area of 25,000 acres and is home to over 11,000 merino sheep, 3,000 farmed deer and 500 beef cattle. The circular route today will take you from your accommodation, through the game park where you are likely to see magnificent fallow deer, red deer, chamois, thar and elk, and back to the cottages mid-afternoon, where you can relax until dinner. For those keen to explore further, the farm outbuildings, the local school house and the site of Butler's house all make for interesting historical landmarks.

Butler's house all make for interesting historical landmarks.

You will again be accommodated in the cottages of the Mesopotamia Station.

## frequently asked questions

### Some tips for training:

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

### What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.

*Experience soaring landscapes, snow capped mountain ranges and wide open tussock covered tundras. Your walk to Akaroa is a truly unique and exciting way to explore Banks Peninsula.*

## Day 3 Mesopotamia, Peel Forest, Mt Somers 9km of Walking

After breakfast we take a short walk to the final resting place of Dr Andrew Sinclair, botanist and Colonial Secretary to the New Zealand Government. Dr Sinclair was travelling with his good friend, the geologist Julius Von Haast, when he was swept away and drowned in the flooded Rangitata River, beside which he now lies.

Mid-morning we prepare to leave Mesopotamia Station and drive to Peel Forest, where you will walk the trails of the Peel Forest Scenic Reserve. Many of the original settlers of the region are buried in the small stone church that the original owner of Mt Peel Station, J.B A Acland, gifted to the community. We make a short stop at the church on our journey through to Peel Forest this morning.

Your walk today takes you on a journey through the Reserve, with its canopy of towering podocarps, rich in bird life. The Reserve has 500 hectares of virgin native forest, with several totara trees said to be around 1000 years old. Its mild moist climate is also ideal for ferns and around 36% of all native ferns grown in New Zealand are found in this area. You will be refreshed by the sound of birdsong and the fresh, cool air of the forest.

This evening we relax and dine at a comfortable country lodge and chalets in Mt Somers

## Day 4 Mt Somers, Hakatere, Christchurch 16km of Walking

Today is our last day in the High Country, and our longest day of walking. After an early breakfast in your chalet, we journey by coach to the head of Lake Clearwater, travelling up the northern side of the Rangitata River Valley. Originally Butler's Mesopotamia Station stretched over both sides of the river and today we explore the area at the top of the river, referred to more commonly these days as Middle Earth. Our walk takes us out from Lake Clearwater, up into a tussock covered mountain valley to the shoreline of Mystery Lake, where we picnic beside the lake. Keep your eyes peeled for brown trout, the lake is a well-kept secret for local fisher folk.

Returning from Mystery Lake we follow the ridgeline down above the Potts River, with amazing views of the valley below, a fantastic panorama back over Mesopotamia Station and the area we have travelled over the last 4 days.

Your return to Christchurch is around 7pm where you stay the night before commencing your walk to Akaroa tomorrow. Dinner tonight is at your expense.

## 7 Days of Walking

### Day 5 Godley Head to Diamond Harbour

The Akaroa Walk begins with a walk briefing in Christchurch where you meet fellow walkers and your friendly guide.

After a picturesque drive along the Summit Road you will arrive at Godley Head, which is the start of your 12km walk on day one. You will walk along the historical Godley Head Walkway and then onto the Crater Rim Walkway, on the way enjoying commanding views of Lyttelton Harbour and Christchurch City. You then make your descent into the port town of Lyttelton on the famous Bridle Path. Your walk follows the route of the first settlers to Christchurch who arrived in Lyttelton in 1850 and left from here to establish the city of Christchurch. From Lyttelton you catch a ferry to your accommodation in Diamond Harbour.

### Day 6 Diamond Harbour to Duvauchelle

Today you will cover a distance of 16.5kms. The track leads you up to Mt Fitzgerald where you will experience unsurpassed panoramic views of the small, secluded bays of Banks Peninsula. From the summit you will follow undulating walkways to Mt Sinclair where the scenery continues to unfold below you. In particular, you will delight in seeing Port Levy, Pigeon Bay, Lake Forsyth and (in the distance) Kaitorete Spit. You will also get your first glimpse of Akaroa Harbour and the Onawe Peninsula. Your accommodation this evening is a charming B&B in Duvauchelle, with grand views the length of Akaroa Harbour.

### Day 7 Duvauchelle to Akaroa

The total walking distance today is approximately 10km. After a transfer from Duvauchelle, along the Summit Road above Akaroa Harbour we take a short walk amongst the totara forest on the Otepatotu Reserve track to warm up your legs. From the Otepatotu Reserve its on to the old Le Bons Bay access track by which we descend into Takamatua and then walk to your accommodation in Akaroa via Childrens Bay. You should have time to enjoy the sights of Akaroa township for the remainder of the afternoon. Tonight you will gather and celebrate the completion of the walk at one of Akaroa's best restaurants... where you will relax and reminisce about your successful trip across Banks Peninsula.

### Day 8 Akaroa to Christchurch

This morning we transport you back to Christchurch.

## pre tour checklist

Please ensure you have the following compulsory items for your walk:  
 Gear will be checked prior to departure.

- Medium size day pack with waterproof liner
- Waterproof rain jacket with hood
- Boots or sturdy walking shoes, preferably with ankle support
- Woollen (merino) or polypro thermals (top and bottom)
- Polar fleece jacket or top
- Warm hat and gloves-fleece or woollen
- Pair of shorts / long trousers (preferably quick-dry fabric, no jeans)
- Woollen or thermal socks-three or four pairs

The following are highly recommended but not compulsory:

- Walking poles (we have these available if you need them)
- Waterproof over trousers
- Gaiters
- Swimsuit
- Sun hat and sun glasses
- Spare boot laces
- Pair of light shoes or sandals for the evening
- A change of clothing for the evening
- Sunscreen, insect repellent
- Personal first aid items-including blister block or foot fleece
- Personal toiletries
- Small torch
- Camera
- Water bottle (we supply you with one bottle, but you may wish to bring another.)

We do not recommend you walk in cotton garments, jeans or silk. These fabrics take much longer to dry after perspiration or wet weather and you may feel damp and cold, even inside the best raincoat.

Plan around three layers of clothing, your inner or core layer which should be wool (merino) or polypro to trap warmth against the skin, a middle layer, and a top waterproof layer to protect from rain and wind.

### **country information**

#### **Culture**

New Zealand has a diverse multi-cultural population, the majority of whom are of British descent. New Zealand's indigenous Maori make up around 14 percent of the population. The culture of its indigenous Maori people affects the language, the arts, and even the accents of all New Zealanders.

New Zealanders embrace new technology and culture, but they also have a background of quiet but rugged individualism, self-reliance and a passion for invention. Many New Zealanders travel extensively and thrive on learning and experiencing other cultures. They are renowned for their openness, ingenuity and "easy-going" nature.

#### **Environment**

Fourteen spectacular national parks preserve New Zealand's natural heritage enshrining a huge variety of landscapes, vegetation and wildlife. New Zealand encompasses rich farmland, mountains, rivers and unsurpassed scenery. The country is slightly bigger than the UK in size. Three-quarters of the population live in the North Island with more than a third of New Zealand's population living in the largest city, Auckland.

The South Island - with its lakes, fiords and spectacular outdoor scenery is the most popular destination for tourists. The gateway to the South Island is Christchurch - a city of approximately 340,000 people.

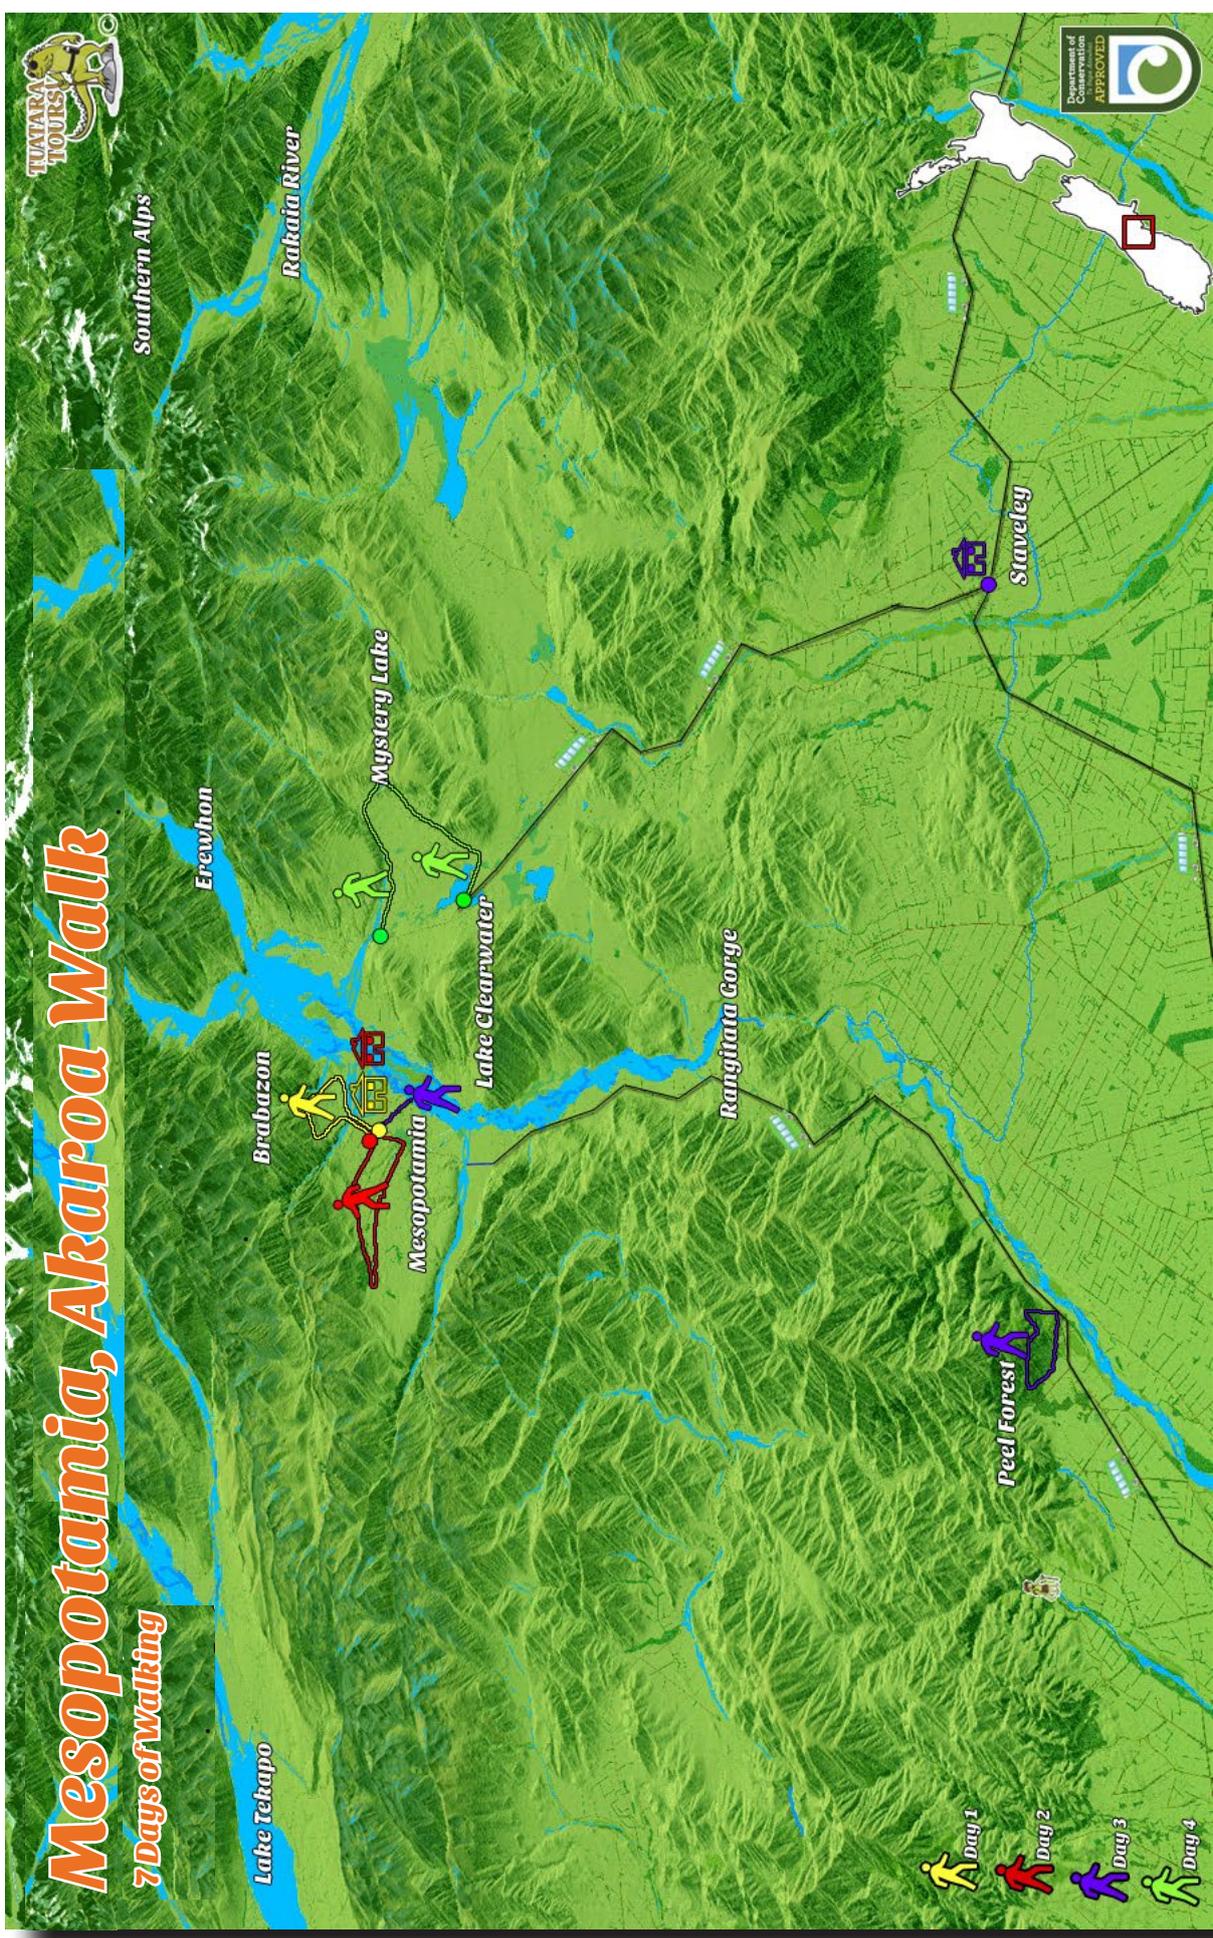

#### **Recreation**

New Zealand's stunning landscapes, lush forests, amazing wildlife and pleasant climate make it a haven for many outdoor activities, and a great place to relax and enjoy life. New Zealanders love the outdoors, especially tramping, camping, skiing and snowboarding. Sailing, surfing and swimming are also favourite pursuits. New Zealand's sports and recreation facilities are inexpensive, abundant and very accessible.
