## Merida Crossway Comfort Hybrid Mountain Bike Low Rise Frame

Our custom made Merida Crossway Low-Rise bikes are perfect for cycling on our trails. They combine grippy yet smooth rolling tyres with a comfortable handlebar position. The latest style 1 x 10 gearing is easy to use and ideal for cycling at an enjoyable pace along the trail.

### Bike Specs

- Low rise frame
- More upright riding position than a mountain bike
- Smooth rolling 29" wheels
- 1 x 10 drivetrain
- Same low gears as a 27 speed bike but with one easy to use gear shifter
- Comfortable front suspension
- High-quality gel saddle
- Powerful and safe disc brakes

### Included (per bike)

- Helmet
- Rear Carrier Bag
- Drink Bottle Cage

### Included (per group)

- Bike Pumps
- Tubes
- Tyre Levers
- Tube Repair Kits
