## itinerary

### Day 1 Coromandel Walks

We'll pick you up from Rotorua at approx. 8:30am, or Matamata at 9:30am. Warm up with a walk to the top of Wairere Falls, and view the verdant Waikato basin from two lookouts over hanging 153 metres of thunderous waterfall.

As we continue north, we'll meet any guests joining us in Thames, then enjoy views out over the mussel farms of the Hauraki Gulf from one of New Zealand's classic coastal drives, the Coromandel west coast.

Drive further up the Coromandel Peninsula in the late afternoon to reach your peaceful accommodation, and watch the sunset from the verandah with a glass of wine or ice cold brew.

3-4 hours walking (Lunch, Dinner)

### Day 2 The Coastal Walkway

Relish a delicious breakfast in the alfresco dining area of the lodge, surrounded by native bush and birdsong.

Head north to the tip of the Coromandel Peninsula to hike one of the best coastal walks in the country.

The views from the track of the Pacific Ocean, Great Barrier Island and Mt. Moehau are well worth the climb.

Beginning at Stony Bay, the track passes through native bush and onto coastal cliffs, stopping for lunch at the remote and beautiful Poley Bay.

This stretch of coastline offers all the dramatic views that encapsulate the Coromandel.

Return to the lodge for another relaxing dinner and drinks.

6 hours walking (Breakfast, Lunch, Dinner)

## itinerary continued

### Day 3 The Pinnacles

Enter the hidden world of the Kuaeranga Valley, home to the majestic Pinnacles range. The entire length of the Coromandel Peninsula was once a chain of volcanic cones. This chain has since been eroded and weathered to form the spectacular series of outcrops you see today.

The Pinnacles trail climbs through re-generating kauri forest, passing one of NZ's best preserved kauri dams, eventually cresting the top of the range to reach the Pinnacles Hut. From the hut, a scramble to the top of the Pinnacles rock formation rewards you with 360° views of the entire Coromandel Peninsula and beyond.

If the Pinnacles isn't your style and you would prefer a more relaxing day you have the option of staying in and exploring Coromandel Township. Highlights include the Driving Creek Railway, local artisan workshops, short walks, cafes, and colourful Coromandel culture. Take the time to relax in paradise.

A fabulous day is topped off with a celebratory meal at one of Coromandel town's award-winning restaurants.

5-7 hours walking (Breakfast, Lunch, Dinner)

### Day 4 Eastern Epic

Travel east around the Peninsula towards Whitianga.

Walk to the golden sand beaches and azure green waters of one of the top 20 best beaches in the world, New Chums Beach (tide dependent). Relax and absorb the natural beauty amidst the bird and marine life that thrives within this precious ecosystem.

Enjoy a short, scenic ferry ride across the Whitianga Harbour and a relaxing stroll up to Shakespeares Cliff overlooking Mercury Bay and the beach where Cook landed.

Stop for a refreshing lunch looking out over the marine reserve and take the well-graded track down to the iconic Cathedral Cove, a natural volcanic archway - a must-see of the Coromandel!

Complete the loop of the Peninsula and return to Rotorua, via Thames and Matamata, by 6pm.

We do not recommend you walk in cotton garments, jeans or silk. These fabrics take much longer to dry after perspiration or wet weather and you may feel damp and cold, even inside the best raincoat.

Plan around three layers of clothing, your inner or core layer which should be wool (merino) or polypropylene to trap warmth against the skin, a middle layer, and a top waterproof layer to protect from rain and wind.

## frequently asked questions

### What do I carry while on my tour and what happens to the rest of my luggage?

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

### Do I really need thermals and a fleece, even in summer?

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

### How many people are in each group?

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

### How fit do I need to be?

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

- Easy: An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.
- Mild: An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.
- Moderate: An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.
- Challenging: An above average level of fitness, Walk 20+ km, Bike 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

### How do I train for my upcoming tour?

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

### What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.
