After a short drive north from Coromandel township we'll arrive at the trail head and begin our walk at Stony Bay, a picture perfect isolated beach flanked by green hills and white sand. This historic trail follows an old bridle path once used by gold miners who populated the Coromandel region in colonial times. Tracing the north eastern tip of the Coromandel Peninsula, we walk through native bush and over high cliff tops with views of Great Barrier Island, Cuvier Island and the Mercury Islands.

Day 3 The Pinnacles

After a delicious fresh breakfast we head south to the start of the Kauaeranga Kauri Trail, also known as The Pinnacles. We'll make our way up through kauri, rimu and kahikatea forests to the Pinnacles that are perched high above the forest canopy. The 360 degree views of bush, mountains and 2 coastlines are simply off the charts, and well worth the effort up the steep trail – don't forget your camera! The Kauaeranga Valley is home to forest bird such as tui, bellbird, tomtit, grey warbler, shining cuckoo, north island brown kiwi and kaka, so keep your eyes peeled here as many of them are frequent visitors on the trail.

If the Pinnacles isn't your style and you would prefer a more relaxing day you have the option of staying in and exploring Coromandel Township. Highlights include the Driving Creek Railway, local artisan workshops, short walks, cafes, and culture. Take the time to relax in paradise.

The Bucket List Walk

Day 10 The Tongariro Alpine Crossing

Walk the Tongariro Alpine Crossing - known as the best one-day walk in New Zealand and possibly the world. A challenging hike leads through stunning volcanic landscapes, past steaming craters, quirky coloured lakes and impressive dome volcanoes. Fantastic views over central North Island. Fair weather and a good level of fitness are required to undertake this hike.

If conditions allow we will have an early start on the track, so we can enjoy the pre-dawn solitude of the mountains and watch the sunrise over the volcanoes – a truly magical experience!

Lonely Planet recommends a walk amidst the Tongariro Volcanoes as “a life-changing experience not to be missed!” Your guides make this unforgettable hike even more memorable by sharing their local knowledge, setting a relaxed pace, and providing a well-earned celebratory drink and snack at the end of the track.

Accommodation: The Park Hotel - (B,L,D)

Walking time: 7-8 hours.

Day 11 Mt Ruapehu

Travel around the southern side of Mt Ruapehu to experience some of New Zealand's rail history on the Old Coach Road trail. Between 1906 to 1908 the road was used to carry passengers and goods by horse and coach, between two railheads on the main trunk line.

Heritage features on the trail include a unique cobbled road, massive steel viaducts, a curved tunnel, railway bridge remains, and old campsites. The 15km walk takes around 5 hours, and also passes through some beautiful stands of native forest with sweeping views across the district.

If conditions allow we will explore the dramatic, rock-strewn landscapes higher up Mt Ruapehu. At 2797 metres above sea level, the North Island's highest mountain offers jaw-dropping views over the National Park with various hiking options or catch a chair-lift up to NZ's highest café. .

Accommodation: The Park Hotel - (B,L,D)

Walking time: approx. 5 hours

Day 12 Taranaki Falls

Today we explore the lower flanks of Mt Ruapehu with a walk from Whakapapa Village through alpine meadows and pretty beech forest to Taranaki Falls. Tumbling 20 metres over the edge of an old lava flow, this waterfall packs a real punch, sending spray right across the boulder-ringed pool at the bottom. If you're game, it's possible to walk all the way around behind the curtain of the waterfall - time to put a jacket on!

Then hike around the glistening Lake Rotopounamu, which is nestled in the side of Mt. Pihanga, an old volcanic mountain and totally fringed with lush forest. Walking Legends support Project Tongariro, an eco-trust that are working to restore the native birdlife to this special area.

After lunch, we'll begin the short journey north to Taupo and on to Rotorua. You can choose to be dropped off in Taupo or Rotorua, or National Park if you are travelling further south. Either way, you'll be forever changed after the awesome walks and great times you'll have had with us in the North Island!

Your final balance is due 90 days prior to departure. We will email you a reminder when this is due.

Can I pay in instalments?

Yes, you certainly can, please email us each time you make a payment so we can confirm receipt.

What if I need to cancel?

Do I have to share a room?

The tours are priced on a twin share basis (2 people to a room), please let us know at the time of booking if you prefer a queen room (one queen bed) or a twin room (2 single beds). If you are a solo traveller we will room you with another single person of the same gender, or you may wish to pay an additional single supplement to reserve a private room to yourself.

Am I fit enough?

As a general guideline we suggest the following activity level guide for our tours:

- Easy/Mild: An average level of fitness, you should be comfortable walking 12km, or biking 25km on well-formed tracks and roads with a small amount of incline.
- Moderate: An above average level of fitness, you should be comfortable walking 20km, or biking 45km on formed tracks and roads with some average to steep inclines at times.

What's the best time to do a trip?

New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or shine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.
