FAQ's - frequently asked questions

How do we book a tour?

The deposit is \$300 per person to confirm your place and can be paid with a credit card through our website at <https://www.tuataratours.co.nz/make-a-payment/> (we accept Visa or Mastercard with no card surcharges) or by internet banking or bank transfer (New Zealand bank account holders only) to Tuatara Tours 01 0797 0308837 00 Please use your surname as a reference when making a payment so we can tell who it's from.

When is the balance due?

Your final balance is due 90 days prior to departure. We will email you a reminder when this is due.

Can I pay in instalments?

Yes, you certainly can, please email us each time you make a payment so we can confirm receipt.

What if I need to cancel?

Please see our Terms and conditions for our cancellation policy <https://www.tuataratours.co.nz/terms-conditions/> We do recommend you purchase travel insurance to cover you in the case that something unexpected happens and you cannot proceed with your tour.

How big are the groups?

Normally we take a maximum of 12 people on a tour but are happy to cater to larger groups on request if you are planning to get a group together.

Do I have to share a room?

The tours are priced on a twin share basis (2 people to a room), please let us know at the time of booking if you prefer a queen room (one queen bed) or a twin room (2 single beds). If you are a solo traveller we will room you with another single person of the same gender, or you may wish to pay an additional single supplement to reserve a private room to yourself.

Am I fit enough?

As a general guideline we suggest the following activity level guide for our tours:

- Easy/Mild: An average level of fitness, you should be comfortable walking 12km, or biking 25km on well-formed tracks and roads with a small amount of incline.
- Moderate: An above average level of fitness, you should be comfortable walking 20km, or biking 45km on formed tracks and roads with some average to steep inclines at times.
- Challenging: An above average level of fitness, you should be comfortable walking 20+ km, or biking 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

What's the best time to do a trip?

New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or shine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.

On a cycle tour you do not bike with a guide but there is a support vehicle and Tuatara staff with you throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike part of the trail with you to highlight places of interest or point out directions. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.
